Welcome to the "Pure-Adrenaline-Downhill" of Bormio

On behalf of the Organizing Committee we welcome all athletes and team officials, who will be protagonists of the Bormio Audi FIS Ski World Cup on the 28th and 29th December 2017, the traditional races at the end of the year. We hope that this year, with its 11 months already gone, has been healthy and prosperous for you, your team and your families.

After three years of Valtellina honouring the World Cup on the Deborah Compagnoni piste in Santa Caterina Valfurva, the World Cup circuit is back to Bormio. A legendary venue where the history of Alpine skiing was written. From 1985, when Pirmin Zurbriggen won the world title a few days after a knee surgery, to December 29, 2013 and its winner, the Norwegian Aksel Lund Svindal. The hall of fame features champions who wrote the story of downhill. From the American Miller and Rahlves, to the Austrians Maier, Walchhofer, Eberharter, Schifferer and Strobl, the Swiss Defago and the "Azzurri" Innerhofer and Paris: this is true royalty. Who will be the next? Whoever he will be, we wish all of you a successful start into the season, good luck and safe races up to our reunion.

Looking forward welcoming you to Bormio at the end of December.
